LED Recessed Lighting

Hera's recessed luminaires offer brilliant lighting solutions for even the smallest of spaces. The outstanding feature of these systems is their shallow recess depth for different diameter luminaires, which makes them suitable for almost any need. Flat designs, some with a flush finish, emphasise the understated look.

AR 45-LED :: Flat Recessed LED

Extremely long life and low power consumption, this under cabinet recessed LED is suitable for a variety of different fixtures.

Energy Efficiency: **165lm**
Output: **3 Watt**
Colour Rendering: **very good, Ra/CRI > 90**
Colour appearance: **ww (warm white) appr. 3000K**
nw (neutral white) appr. 4000K
